

Assessment

*in a time of
Curriculum Change*

Where are we now?
Where are we going?
How do we get there?

This island-based assessment network, is a day-long forum for sharing strategies, strengths, challenges, and practices for transforming assessment. It's an opportunity to connect with teachers and learners of all kinds to generate deeper understanding about how we can approach assessment amidst our changing curriculum and education system, to best meet the needs of all learners.

Jan Unwin (BC Ministry of Education – Graduation and Student Transitions) will begin the day with an overview of provincial educational change. This will be followed by opportunities for generative dialogue throughout the day. Coffee, tea, snacks, and lunch will be provided. Please join us!
